

## We are migrating

Contributed by Administrator  
Thursday, 04 December 2008

Infertileworld.co.uk will soon become an integrated part of FertilityFriends.co.uk

Over the next month - all our articles will be transferred to FertilityFriends UK and we will be expanding our team and setting our focus on bringing you more upto date articles.

We are always looking for volunteers! should you be interested in working with us - then please let us know via the FertilityFriends.co.uk contact page.
